PRINTED EXCLUSIVELY FOR

2011 NISSAN XTERRA®

KEEP IT CORE. Take advantage of a 261-hp V6 and a fully boxed steel ladder frame and get going. Roof-rack-mounted off-road lights shine the way.¹ Bluetooth® comes along.¹ Versatility and spontaneity forge a hard-core bond. While a roof rack ups your options and rear bumper steps help you get to your gear. It's all about the adrenaline. And the locking rear differential.¹ Stash the damp and dirty, but clean up easy with a wipe-down cargo area. A higher purpose? Constant motion.
